CATHOLIC LEAGUE

Known as the "Holy League"

Was an open and forcible criticism of Henry III, King of France regarding his policy and actions toward Catholics and HUGUENOTS

Its avowed policy in the original manifesto was "to uphold the Catholic Church; to suppress heresy; and to maintain the honor, the authority

and prerogative of the Most Christian
King and his successors. In reality,
its object was to substitute on the
throne of France the family of
LORRAINE for that of VALOIS.
The attempt failed.
